

JIC with Real Vision Discuss Business Proposal

The management of Real Vision Technical Services Company in Al-Khobar was invited on Wednesday, September 7, 2011, to discuss a business collaboration proposal laid by the NDT Training Center with regards to the marketing of NDT programs and courses offered by the Center.

The said company operates in the fields of marketing and managing Training and Certifications for a wide range of professional and international courses and many other disciplines in Engineering and Management. The business proposal needs to be formalized and submitted to JIC management for approval.
